1. INTRODUCTION

The South San Luis Obispo County Sanitation District (the “District”) is a special district that provides wastewater treatment services to the communities of Arroyo Grande, Grover Beach, and Oceano. The District is located in southwestern San Luis Obispo County, California approximately 15 miles south of the City of San Luis Obispo. The District serves a population of roughly 38,000 as well as commercial, industrial, and institutional accounts within its service area.

The District was formed in 1963 and is governed by a three-member Board of Directors (the “Board”) who are appointed by the governing bodies of its three member agencies: the Cities of Arroyo Grande and Grover Beach, and the Oceano Community Services District. The Board desires to place the delinquent wastewater treatment charges for the service area within the Oceano Community Services District on the San Luis Obispo County tax rolls for the delinquent accounts as of May 20, 2016.

The Delinquent Wastewater Treatment Service Charge is levied pursuant to the California Health and Safety Code, Sections 5471 et seq. Payment of the Delinquent Wastewater Treatment Service Charge for each parcel will be made in the same manner and at the same time as payments are made for property taxes. This report contains the necessary data required to establish the Delinquent Wastewater Treatment Service Charge and is submitted to the Board Secretary for filing in the office of the Board Secretary where it shall remain open for public inspection.

2. DELINQUENT WASTEWATER TREATMENT SERVICE CHARGE LISTING

A list of parcels delinquent in their Wastewater Treatment Service Charge within the District as of May 20, 2016 as shown on the last equalized Property Tax Roll of the Assessor of San Luis Obispo County is on file in the office of the Board Secretary of the District and included on the following pages. The list contains a description of each parcel that has a delinquency with the District as of May 20, 2016 and the amount of the delinquent charges for each parcel.

If any parcel submitted for collection is identified by the San Luis Obispo County Auditor/Controller to be an invalid parcel number for the fiscal year, a corrected parcel number and/or new parcel numbers will be identified and resubmitted to the San Luis Obispo County Auditor/Controller. The assessment amount to be levied and collected for the resubmitted parcel or parcels shall be based on the method of apportionment and assessment rate described in this Report as approved by the District Board.
