The below contributions are for employees in the following non-represented classifications:

Wastewater Plant Superintendent
Bookkeeper/Secretary

MEDICAL (ACCOUNT 6010)

The District shall pay an amount equal to the current basic plan option monthly premium as defined below, for the District's medical plan for the employee and the employee's dependent coverage.

There shall be an open enrollment period once each year prior to the insurance policy anniversary date to allow for changes in coverage.

A. Employer Contributions for Active Employee Healthcare Coverage

Active employees who elect health coverage through the District shall participate in the District's full flex cafeteria plan in accordance with IRS Code Section 125. For active employees participating in the District's full flex plan, the District will contribute the Minimum Employer Contribution (MEC) as required by the Public Employees' Medical and Hospital Care Act (PEMHCA), per month per employee to be used solely toward medical premiums.

Active employees participating in the District's full flex cafeteria plan receive a base monthly flex dollar allowance to purchase benefits under the full flex cafeteria plan. The monthly flex dollar allowance shall be a dollar amount equal to the base amounts defined below, each of which include the PEMHCA minimum employer contribution, for an Employee Only, and Employee plus One Dependent or an Employee plus Two or More Dependents.

1. District Flex Dollar Contributions effective upon approval of this exhibit
The District's base flex dollar allowance will be established on the following amounts for monthly health premiums. The amounts include the PEMHCA minimum employer contribution, which for calendar year 2017 is \$128.00 per month and effective January 1, 2018, will be \$133.00 per month.

The base rates including PEMHCA MEC are:

Employee only: \$778.45
Employee plus 1 dependent: \$1,556.90
Employee plus 2+ dependents: \$2,023.97

2. Cost Sharing for Rate Increases Beginning in Calendar Year 2018

Beginning with the 2018 Plan Year and each year thereafter, increases to premiums to active employee health care beyond the base amounts established above shall be shared between the District and employees, with the District and employees each contributing fifty percent (50%) of any increase in health care premiums beyond the base premiums stated above.

B. Retiree Health Coverage

Employees who retire from the California Public Employees' Retirement System (CalPERS) within 120 days of leaving their position with the District are eligible, as determined by CalPERS, to continue in the District's retiree group health insurance program, offered through the Public Employees' Medical and Hospital Care Act (PEMHCA).

The District will contribute the Minimum Employer Contribution (MEC) as required by the PEMHCA per month per retired annuitant to be used solely toward medical premiums. For 2017 the MEC is \$128.00 per month. Effective January 1, 2018, the MEC will be \$133.00 per month, with future adjustments as determined by CalPERS from time to time.

The District shall provide an additional monthly dollar allowance toward the cost of medical premiums, to an eligible employee who retires with CalPERS within 120 days of leaving their position with the District, and as otherwise described herein; and who qualifies for and exercises their right through CalPERS to receive the District's retiree group health insurance. The additional dollar allowance, after deduction of the MEC, shall be reimbursed to the retiree (as noted below), which may be through a Trust to be established by the District.

1. Current "New Members"

Current "new members" (as defined by the Public Employees' Pension Reform Act of 2013) hired by the District after January 1, 2013, and prior to December 6, 2017 are eligible as follows:

To receive an employee only dollar allowance in addition to the PEMHCA minimum employer contribution, employees shall have been employed by the District for ten (10) continuous years of service at the time of retirement to be vested in this benefit, and must have retired within 120 days of separation from the District, and be otherwise eligible for retirement from the District. The District contribution toward the dollar allowance, when combined with the PEMHCA minimum employer contribution, shall be up to no more than fifty percent (50%) of the individual employee only premium at the time of retirement (50% of the individual employee only premium in the year in which the employee retires) and shall be capped with no increase prospectively.

EXHIBIT "A" TO RESOLUTION 2017-381

Retired annuitants may only be reimbursed for out of pocket premium costs, up to the dollar allowance set at the time of retirement. If the cost of the premium for the health plan selected, is less than the initial amount of dollar allowance at the time of retirement, due to benefit changes such as a different plan selection, then the dollar allowance shall be capped at the new lower amount, and shall not increase prospectively. Dependents and/or beneficiaries are not eligible for this benefit.

C. Employees Hired After December 6, 2017

Any employees hired after the effective date of this exhibit, shall not be eligible for an additional dollar allowance. The District shall contribute the PEMHCA minimum employer contribution toward the retired annuitant's coverage, the amount of which is determined by CalPERS and changes from time to time. For calendar year 2017, the minimum employer contribution amount is \$128.00 per month. Effective January 1, 2018, the minimum employer contribution amount is \$133.00 per month.

VISION/DENTAL/MEDICAL TRUST (ACCOUNT 6075)

The District shall pay an initial amount of \$500 for each full-time employee and \$500 per fiscal year thereafter into a vision/dental/medical trust fund account. This account will provide for out of pocket expenses not covered by current formal insurance plans. Funds remaining at the end of the fiscal year do not carry over from an individual's account into the next fiscal year.

SOCIAL SECURITY AND MEDICARE (ACCOUNT 6050)

The District will make contributions for Social Security Tax at 6.2% and Medicare at 1.45% of gross payroll. The employee pays matching contributions.

The District provides a retirement program for all eligible employees. The Retirement Program may be provided through contract with the California Public Employees Retirement System (CalPERS) as is currently provided and may be integrated with Federal Social Security Program, as is currently provided. Eligibility for CalPERS membership is determined by CalPERS. Contributions made by the District on behalf of employees, who are considered "new members" by CalPERS, shall be as mandated by the California Public Employees' Pension Reform Act (PEPRA) of 2013.

STATE DISABILITY INSURANCE PROGRAM (ACCOUNT 6055)

The District shall contribute 50% of the total cost for each employee to become part of the State Disability Insurance Program. Current contribution rate is 1.0% of gross payroll.
