

**SOUTH SAN LUIS OBISPO COUNTY SANITATION DISTRICT
RESOLUTION NO. 2016-353**

**A RESOLUTION AMENDING THE ADOPTED POLICIES AND PROCEDURES FOR THE
EXPENDITURE OF DISTRICT FUNDS FOR SUPPLIES, EQUIPMENT, CONSTRUCTION,
AND SERVICES AS SET FORTH IN RESOLUTION NO. 2010-274**

**ARTICLE I
Adoption of Purchasing and Construction Policies**

- 1.1 **Statutory Authority:** These policies and procedures are adopted pursuant to the Government Code Section 54201 (l), et seq., and the Public Contract Code Section 22000 et seq. ("Uniform Public Construction Cost Accounting Act") in order to establish an efficient procedure for the purchase of supplies, equipment and contracting for work and services.
- 1.2 **Board Findings and Declaration:** The Board finds and declares that placing all of these policies in one procedural set of guidelines will make these procedures clearer and easier to find. Furthermore, it is the intent of the Board in enacting these procedures to achieve the following objectives:
- A. To establish an efficient procedure for the purchase of supplies, equipment, and services at the lowest possible cost;
 - B. To assure that all supplies, equipment, construction and services at the plant are of sufficient quality to assure the efficient running of the plant;
 - C. To exercise positive financial control over purchases;
 - D. To clearly define authority for the purchase of supplies and equipment and for contracting for outside services and construction;
 - E. To assure as full and open competition as possible on all purposes;
 - F. Fitness and quality being equal, a preference may be granted to local vendors for the purchase of materials, supplies and services with a bid price less than \$45,000. The District may provide a preference to each qualified local vendor if the bid of a local qualified vendor does not exceed the lowest bid or price quoted by other vendors by more than five percent. To qualify as a local vendor, a business must have all current applicable city licenses and permits, must maintain its primary office and/or place of business within district boundaries. This preference is not applicable to any materials, supplies or services for which formal bids are required pursuant to statutory or California common law.

- E. To sell surplus supplies and equipment to interested private and/or public agencies or vendors.
- F. To keep informed of current developments in the field of purchasing, prices, market conditions and new products.
- G. To maintain a bidders' list, vendors' catalog file and records.
- H. To develop and prescribe administrative policies, forms, and files as may be reasonably necessary for the internal management and operation of these purchasing procedures.

2.2 Exemptions From Policies

- A. **Emergencies:** The purchasing procedures described above may be dispensed with at the discretion and judgment of the purchasing authority in the best interest of the District when the Board of Directors adopts a resolution by two-thirds vote declaring that it is in the public interest and necessity to demand an immediate expenditure of public funds to safeguard life, health, or property.
- B. **Single Source:** When the Board of Directors adopts a finding that there is only a single source of procurement and that the purchase is for the sole purpose of duplicating or replacing supplies, equipment, or material which is in use.
- C. **Deliveries Under Annual or Biannual Contracts:** When the Board of Directors has contracted for services or supplies on an annual or other regular basis, the payment for delivery of such services or supplies upon delivery is exempt from the need for additional authority for payment. This exemption does not apply to the actual negotiation or contracting for services or delivery of supplies.

 - 2. If the requisition is approved by the Plant Superintendent, the Plant Superintendent shall seek the most favorable terms and price for the approved requisition either through comparative pricing or competitive bidding, whichever method the Plant Superintendent deems most appropriate under the circumstances. To the extent possible, the Plant Superintendent will review at least two quotations to ensure that the products or supplies purchased are of a quality suitable for the District's purposes and to obtain the lowest price available.
 - 3. Once the Plant Superintendent has determined the most advantageous price or bid, as the case may be, for the requisition, he/she shall issue a purchase order which will constitute a formal offer by the District to purchase the supplies, equipment, or to procure the service for the price and terms indicated therein.
- D.
