Action: Approved unanimously by roll call vote.

6. ACTION ITEMS:

6A. PUBLIC HEARING AND ADOPTION OF RESOLUTION 2020-414 APPROVING THE FINAL BUDGET FOR FISCAL YEAR 2020/21

Recommendation: That the Board:

1. Review the Budget for Fiscal Year 2020-21, including revisions;
2. Open the public hearing to receive public input regarding the adoption of the Budget for Fiscal Year 2020-21;
3. Close the Public Hearing and direct revisions, if any, be incorporated into the Budget for Fiscal Year 2020-21; and
4. Adopt Resolution No. 2020-414 approving the Budget for Fiscal Year 2020-21.

Administrator Ghent introduced this item and turned the presentation over to Bookkeeper/Secretary Amy Simpson who read the staff report.

The Board asked about staffing for future budgets, Cogen unit design, the Capital Improvement Budget and Central Coast Blue.

Administrator Ghent responded to the Boards questions. He said that the additional staff member was identified in the Bartle Wells financial analysis that increased rates to accommodate the Redundancy project. Future operational costs are billed into the current rate structure. He also said that if the District wants to move forward with the Cogen project in this fiscal year it would be his intent to come back to the Board to request additional funding for construction of the Cogen. But in all likely hood it would be next fiscal year for funding of the construction of the Cogen. Regarding the Capital Improvement Budget, he said due to logistics of Redundancy, staff may have to non-perform the Digester Cleaning. However, it has been ten years since last cleaning and staff feels the idea of waiting three years for Redundancy to be complete is not recommended and with the help of an outside vendor they can move the cleaning forward during Redundancy construction. If space gets too tight on site, this would be the project that would be deferred to a future year. And lastly, he said the Central Coast Blue Project can move forward with Phase 1 without any complexities with the Redundancy Project as the CCB Project will not be on District property.

There was no public comment on this item.

Motion: Director Lee made a motion to adopt Resolution 2020-214 adopting the budget for Fiscal Year 2020/2021.

Second: Director Austin

Action Approved unanimously by roll call vote.

6B. AUTHORIZING DISTRICT CHAIRPERSON TO EXECUTE LOAN DOCUMENTS FOR THE DISTRICT'S REDUNDANCY PROJECT

Recommendation: Adopt Resolution No. 2020-415 authorizing the Chairperson for the Board of Directors to sign approval and acceptance forms and other

documents necessary to secure loans and issue and sell bonds associated with the District's Redundancy Project.

The Board received this staff report and asked about the progression of taking this action tonight.

Administrator Ghent responded that this action taken tonight will allow the District to complete the USDA application this month.

There was no public comment.

Motion: Director Lee made a motion to Adopt Resolution No. 2020-415 authorizing the Chairperson for the Board of Directors to sign approval and acceptance forms and other documents necessary to secure loans and issue and sell bonds associated with the District's Redundancy Project.

Second: Director Austin

Action Approved unanimously by roll call vote.

6C. APPROVAL OF LEGAL SERVICES CONTRACT WITH THE LAW FIRM OF JONES & MAYER

Recommendation: That the Board of Directors enter into a contract with the law firm of Jones & Mayer to provide General Counsel legal services to the South San Luis Obispo County Sanitation District.

Interim Legal Counsel Keith Collins recused himself.

The Board had a discussion regarding Section 3C in the Agreement "*All costs and expenses, including travel time and mileage, except those set forth in Section 3. F below shall be deemed included in the foregoing hourly billing rates.*" The Board has concern over the rate charged for travel time. The Board directed staff to continue this item at the next meeting and provided direction to Administrator Ghent to renegotiate with the firm regarding travel time rate.

There was no public comment.

Motion: Chair Ray Russom made a motion to direct staff to go back and negotiate Item 3C of the contract related to billing of travel time and hopefully come back with a revised contract at the next meeting.

Second: Director Lee

Action Approved unanimously by roll call vote.

Interim Legal Counsel Keith Collins rejoined the meeting.

6D. DISTRICT ADMINISTRATOR AND PLANT OPERATIONS REPORT

Administrator Ghent presented the Administrator and Superintendent Report.

The Board provided comments regarding the schedule for Redundancy and the pilot program for Covid 19.

Administrator Ghent responded that the award date for the Redundancy contract would be November and he has informed the project team that there could be a second meeting in November if necessary. Regarding the joint study with Harvard and MIT, the District has provided wastewater samples weekly for the month of May and have not received results back.

There was no public comment on this item.

Action: The Board received and filed this report.

STAFF REPORT

Date: July 01, 2020
To: Board of Directors
From: Jeremy Ghent, District Administrator
Via: Mychal Jones, Plant Superintendent
Subject: **REQUEST APPROVAL TO PURCHASE CHEMICAL PUMPING
SYSTEMS *UPDATED COST***

RECOMMENDATION:

1. That the Board of Directors approve and authorize the District Administrator to purchase two new chemical pumping systems from Lutz-JESCO America Corporation in the amount of \$31,063.89 (Includes 7.25% tax for Oceano, CA)

BACKGROUND AND DISCUSSION:

At the June 3rd Board meeting, Staff requested approval to purchase chemical pumping systems in the amount of \$32,792.44 from Hopkins Technical Products, Inc. That amount was incorrect and should have been presented as \$59,775.93 including tax. The substantial cost increase was due to the original quote not having a subtotal carried forward.

Due to the substantial cost increase, Staff is changing its recommendation and requesting approval to purchase chemical pumping systems from Lutz-JESCO America Corporation for the total amount of \$31,063.89 which is now the low bidder.

The District budgeted for the replacement of its existing chemical pumping systems. The existing chemical pumping systems have reached the end of their service life and are due for replacement. Staff is seeking to replace our existing chemical pumping systems with two new chemical pumping systems of similar capacity and capability. Each of the two new chemical pumping systems are provided with a redundant pump which can be used in the event of failure or for maintenance purposes.

Two vendors, Lutz-JESCO America Corporation and Hopkins Technical Products, Inc. submitted quotes. The quote from Lutz-JESCO America Corporation was \$28,964.00 (Attachment No. 1), the quote from Hopkins Technical Products, Inc. was \$55,735.13 (Attachment No. 2). Both quotes meet the requirements and specifications of the District.

FISCAL CONSIDERATION:

A line item of \$120,000 was included in the Adopted Budget for Fiscal Year 2019/20, under Fund 26, Account No. 26-8065. Staff recommends that a portion of the budgeted funds be used for the purchase of two new chemical pumping systems.

With Mr. Trujillo's departure, the Board directed Staff to pursue new General Counsel through an RFP.

At the June 3, 2020 Meeting the District Board was presented a Staff Report for APPROVAL OF LEGAL SERVICES CONTRACT WITH THE LAW FIRM OF JONES & MAYER. Following the presentation and discussion the Board directed staff to attempt to negotiate better contract terms for charges related to the proposed billing for Legal Counsel Travel Time.

All costs and expenses, including travel time and mileage, except those set forth in Section 3.F below, shall be deemed included in the foregoing hourly billing rates,

The REVISED contract provides for billing at 50% for hours and mileage to and from the District and reads as follows:

3.A. General Legal Services

*The District shall pay Jones & Mayer an hourly rate of \$215 for general legal services (those services described above in Section 2.A., numbers 1-8). All costs and expenses, including **one-half of all travel time and mileage** to and from board meetings, except those set forth in Section 3.F below, shall be deemed included in the foregoing hourly billing rates.*

FISCAL CONSIDERATIONS:

The District has adequate budget for anticipated legal costs in both the current FY19/20 and as proposed in the FY 20/21 budget.

Attachment: Agreement for Legal Services w/ Jones & Mayer

**AGREEMENT FOR LEGAL SERVICES
SOUTH SAN LUIS OBISPO COUNTY SANITATION DISTRICT**

This Agreement for Legal Services (“Agreement”) is made and entered into by and between the law firm of JONES & MAYER (“Jones & Mayer”) and the SOUTH SAN LUIS OBISPO COUNTY SANITATION DISTRICT (the “District”), a public entity under the laws of the State of California.

A. Keith F. Collins is hereby designated and appointed as General Counsel to the District (“General Counsel”) of the South San Luis Obispo County Sanitation District, and shall serve and be compensated as provided by this Agreement. The General Counsel shall process, coordinate, and direct, as necessary, all legal services provided under this Agreement in order to maximize the timeliness and usefulness of the delivery of such services. As required, the General Counsel shall attend all District Board meetings and other meetings and be available at all reasonable times to the Chair, Board members, District Administrator, and persons designated by the District Administrator, in relationship to all legal services to be furnished by Jones & Mayer under this Agreement. The General Counsel shall be responsible during the term of this Agreement for directing all activities of Jones & Mayer on behalf of the District, and all other special counsel to the District, and devoting such time as necessary to personally supervise such services. The primary assignment of the General Counsel shall not be changed by Jones & Mayer without the express approval of the District.

B. All attorneys assigned to perform approved District business shall, at all times while this Agreement is in effect and at their sole cost and expense, be fully qualified and

If the parties cannot agree, they agree that they will refer the dispute for resolution to mediation to the fullest extent permitted by law. The parties are aware that mediation is a voluntary process and pledge to cooperate fully and fairly with the mediator in an attempt to reach a mutually satisfactory compromise of any dispute or disagreement. The mediator shall be chosen by mutual agreement of the parties, and mediation shall commence within thirty (30) days of either party's written request to the other for mediation. Any agreement reached by the mediation shall be reduced to writing, be signed by the parties, and be binding on them. This provision for mediation is an effort to protect, preserve, and respect the requisites of a productive attorney-client relationship, but shall be without prejudice to either party pursuing its other lawful remedies.

STAFF REPORT

Date: July 01, 2020
To: Board of Directors
From: Jeremy Ghent, District Administrator
Subject: **ADOPTION OF RESOLUTION NO. 2020-416 FOR COLLECTING FISCAL YEAR 2020-21 DISTRICT ANNUAL WASTEWATER TREATMENT CHARGES FROM THE COMMUNITY OF OCEANO THROUGH THE COUNTY PROPERTY TAX ROLL**

RECOMMENDATION:

1. That the Board approve Resolution No. 2020-416 authorizing the transmittal of the report to the County to collect District wastewater treatment charges from the OCSD service area for Fiscal Year 2020-21 on the County Property Tax Roll.

BACKGROUND AND DISCUSSION:

At the June 1, 2016 meeting, the Board adopted Resolution No. 2016-347 directing staff to work with the County to collect current and delinquent wastewater treatment charges from the community of Oceano via the annual property tax bills versus direct billing by the District. The District now receives its wastewater treatment charges from Oceano via collections made by the County on the property tax rolls.

In preparation for this item, NBS (District's billing consultant), prepared the required report (Attachment 1) that identifies each parcel of real property by address and Assessor's Parcel Number (APN) and associated charges for wastewater treatment and facilities for said parcel for Fiscal Year 2020-21. The charges conform to the rate structure established by Ordinance No. 2016-01 adopted by the Board on March 2, 2016.

A copy of the Report is available at the District office and District website for public inspection.

1. INTRODUCTION

The South San Luis Obispo County Sanitation District (the “District”) is a special district that provides wastewater treatment services to the communities of Arroyo Grande, Grover Beach, and Oceano. The District is located in southwestern San Luis Obispo County, California, approximately 15 miles south of the City of San Luis Obispo. The District serves a population of roughly 38,000 as well as commercial, industrial, and institutional accounts within its service area.

The District was formed in 1963 and is governed by a three-member Board of Directors (the “Board”) who are appointed by the governing bodies of its three member agencies: the Cities of Arroyo Grande and Grover Beach, and the Oceano Community Services District. Following the completion of a Wastewater Financial Plan & Rate Study dated February 17, 2016 and a noticed public hearing in compliance with the requirements of the California Constitution Article 13D (Proposition 218), the Board adopted new rates to meet the District’s funding needs.

The Board desires to place the wastewater treatment charges for the service area within the Oceano Community Services District on the San Luis Obispo County tax rolls with the levy for the 2020/21 fiscal year. The Cities of Arroyo Grande and Grover Beach will continue to bill on behalf of the District at this time.

The Wastewater Treatment Service Charge is levied pursuant to the California Health and Safety Code, Sections 5471 et seq. Payment of the Wastewater Treatment Service Charge for each parcel will be made in the same manner and at the same time as payments are made for property taxes. This report contains the necessary data required to establish the Wastewater Treatment Service Charge and is submitted to the Board Secretary for filing in the office of the Board Secretary where it shall remain open for public inspection.

2. WASTEWATER TREATMENT RATES

To provide the revenue to keep up with the increase in projected revenue needs, the District adopted a wastewater treatment rate increase for the five years from effective July 1, 2016 through July 1, 2019. Rates effective July 1, 2019 are applied to parcels for Fiscal Year 2020/21. Residential users will continue to pay a flat monthly charge per dwelling unit, and nonresidential users will pay a fixed monthly charge that varies by specific factors, listed below. The following table shows the adopted rates:

Plant Operations Report

During this reporting period (June 1st – June 24th) the District's facility exceeded its NPDES Permit limit for daily maximum fecal coliform on June 9, 2020 (highlighted in yellow on chart below). Immediately following the observation, Operations staff raised the chlorine dosage. In addition, Operations staff began adding polymer to the primary clarifier to enhance settling and lessen the BOD/TSS loading to the fixed film reactor. Fecal coliform results have returned to well within Permit limits following the violation. The Regional Water Quality Control Board has been notified, and the District may be assessed a fine. *All other process values were within Permit limitations.*

South San Luis Obispo County Sanitation District
Board of Directors

VIA EMAIL June 6, 2020

SUBJECT: CEASE AND DESIST DEMAND
RE: RALPH M. BROWN ACT (§§ 54960, 54960.2)

Dear Chair Ray Russom,

I, Julie Tacker, pursuant to government code section 54960.2, demand the South San Luis Obispo County Sanitation District cease and desist the following practice which violates provisions of California's open meeting laws (California Government Section 54950 et seq.) to wit, the Ralph M. Brown Act that the Council make an unconditional commitment as prescribed in subdivision (c) of section 54960.2 not to repeat such practices in the future:

These violations infringe upon the people's right to remain informed and retain control over the people's business and directly address their public servants. Furthermore, this violation may jeopardize the ongoing business and finality of actions taken by the SSLOCSD.

Factual and Procedural Background

Pursuant to Governor Newsom's Executive Order N-25-20, members of the South San Luis Obispo County Sanitation District Board and staff have chosen to meet electronically (Virtual Zoom Meeting), with teleconference phone numbers provided for telephone participation. To protect the health and safety of the public, Board members, staff and public are social distancing. This has been in practice for the districts last two meetings.

The Wednesday, May 6, 2020 agenda was posted well in advance of the 72-hours as is required by the Ralph M. Brown Act, but it failed to include a meeting ID number for those using the telephone the numbers provided. While I was able to reach the District Administrator by telephone a few moments before the meeting began to ask for the ID number, and was given the number which allowed access to the meeting. Others who may have been interested in participating this meeting, were not so fortunate. While legal counsel, Keith Collins, advised your board that because the Zoom link worked for

those who have computers or Smartphones you were not in violation of the Governors relaxed Brown Act, I believe you were.

In an effort to not incur costs to your district, I chose not to file a Cure and Correct for the violation that occurred that day. I was comforted by the discussion that took place that the missing meeting ID number would be corrected in the future.

Yet, the Wednesday, June 3, 2020 agenda had no phone number at all. Worse yet, this meeting required participants to “Register in advance for this webinar.” This registration a) could only be accessed if one had a computer or Smartphone; b) participants were required to give their name *and* email an address to access the meeting ID and passcode which was sent separately; c) telephone numbers were only accessible if one had already given a name and email address – thus, participants must have access to a computer or Smartphone.

Government Code Section 54953.3.

A member of the public shall not be required, as a condition to attendance at a meeting of a legislative body of a local agency, to register his or her name, to provide other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his or her attendance.

If an attendance list, register, questionnaire, or other similar document is posted at or near the entrance to the room where the meeting is to be held, or is circulated to the persons present during the meeting, it shall state clearly that the signing, registering, or completion of the document is voluntary, and that all persons may attend the meeting regardless of whether a person signs, registers, or completes the document.

(Amended by Stats. 1981, Ch. 968, Sec. 28.)

Public speakers cannot be compelled to give their name or address as a condition of speaking. The clerk or presiding officer may request speakers to complete a speaker card or identify themselves for the record, but must respect a speaker’s desire for anonymity. In the instant case, the ONLY way to participate in the June 3rd meeting was to disclose one’s name and personal email address in order to access the meeting --- in violation of the Brown Act.

On a personal note, not that it’s any of your business, I do not have electronic devices that accommodate participation in the manner in which your agenda requires and can only use telephone as access to participate in the meeting. Most likely, there are others who may want to participate that have similar hurdles to overcome to be able to participate in the

fashion in which your district has chosen to adapt to the Governor's relaxed Brown Act procedures.

Each and every one of you board members have spoken to and encouraged the public's ability to participate in your meetings. It is my intention to bring these serious matters to your attention. I sincerely hope you remedy the hurdles to accessing your meetings electronically to be inclusive of all, without infringing upon ones privacy (i.e. requiring a name and email address to participate).

The intent of this Cease and Desist is to bring this Brown Act violation to your attention and ask that your district cease, desist from, and not repeat the practices identified.

The District has 30 days from receipt of this letter to provide me with an unconditional commitment to cease, desist from, and not repeat the practices noted above. The district's failure to do so will entitle me to file an action for legal remedy, including attorney's fees and costs.

Sincerely,

A handwritten signature in cursive script that reads "Julie Tacker".

Re: South San Luis Obispo County Sanitation District
Brown Act Cease and Desist Letter dated June 6, 2020

Dear Ms. Tacker,

Our office provides interim general counsel services to the South San Luis Obispo County Sanitation District ("District"). We are in receipt of your cease and desist demand letter regarding alleged violations of the Brown Act at the District's May 6, 2020 and June 3, 2020 board meetings wherein you request the Board of Directors issue an unconditional commitment to cease actions which you claim violate the Brown Act.

Your letter alleges that the District's May 6, 2020 meeting violated the Brown Act because the agenda for this meeting did not allow members of the public to use a telephone to access the meeting. Specifically, you allege that because the agenda did not provide a meeting identification number to access the meeting telephonically, those without smartphones or computers had no way to access the meeting. Your letter also alleges that the District's June 3, 2020 meeting violated the Brown Act because the posted agenda (1) did not provide any telephonic means whereby the public could access the meeting; and (2) it required members of the public to register their names prior to accessing the meeting via the Zoom livestream.

Your letter also references the Governor's Executive Order N-25-20 wherein certain requirements of the Brown Act were relaxed due to the COVID-19 pandemic. Your letter does not mention the Governor's subsequent Executive Order N-29-20 ("Order") which repealed and

replaced the Brown Act orders from N-25-20. The Order details certain provisions of the Brown Act that are relaxed during the pandemic. Specifically, it authorizes public agencies to “make public meetings accessible telephonically or otherwise electronically to all members of the public seeking to observe and address the local legislative body[.]” [emphasis added]

Both the May 6, 2020 and June 3, 2020 board meetings complied with the Order. During the declared state of emergency, local agencies can allow public participation via telephone or other electronic means. They are not required to provide both, hence the use of the disjunctive “or” in the body of the Order. While the May 6, 2020 meeting agenda did not contain a meeting identification number that would have allowed the public telephonic access to the meeting, the agendas for both the May 6 and June 3 meetings contained several ways the public could “observe and address” the Board of Directors: (1) via the Zoom livestreaming meeting link at the top of the agenda -- members of the public could both observe and address the Board; (2) via the email link to the District secretary -- members of the public could address the Board; and (3) via the SLOSPAN link -- members of the public could observe the Board meeting.

The District has complied with the Governor’s Order by allowing members of the public to observe and address the Board of Directors electronically. Telephonic access is not required. Furthermore, because the District has accepted public comment via email and provided livestreaming of the meeting via SLOSPAN, members of the public are not required to give their names and email addresses in order to observe and participate in the meeting via the Zoom livestreaming link. Registering and participating via Zoom is simply one option that members of the public may use to observe and address the Board, but it is not the only option.

Again, the District did not violate the Brown Act at either the May 6, 2020 or June 3, 2020 meetings. However, the District does commit to provide telephonic access to future meetings that are conducted remotely to further the ability of the public to observe the Board in its decision-making process.

Sincerely,

Keith F. Collins
